

AIR FORCE JOURNAL *of* LOGISTICS

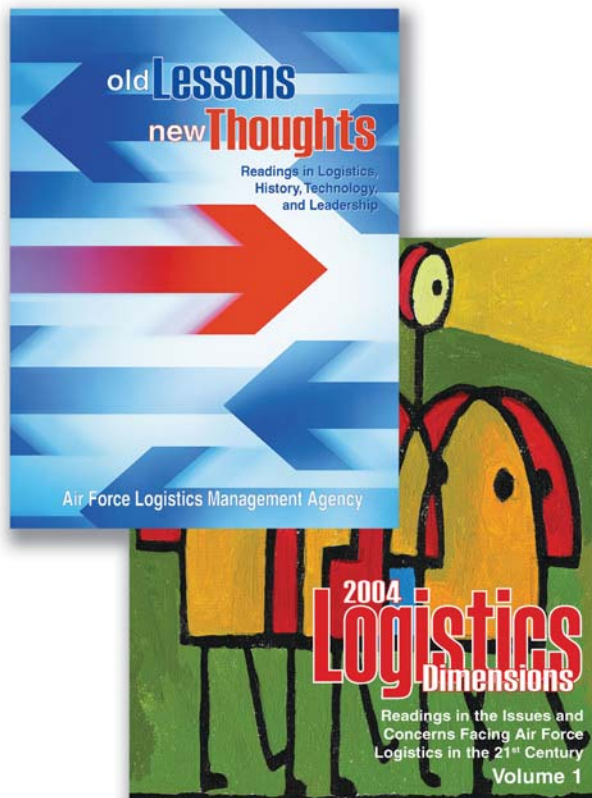

Volume XXVIII,
Number 4
Winter 2004

NEW!

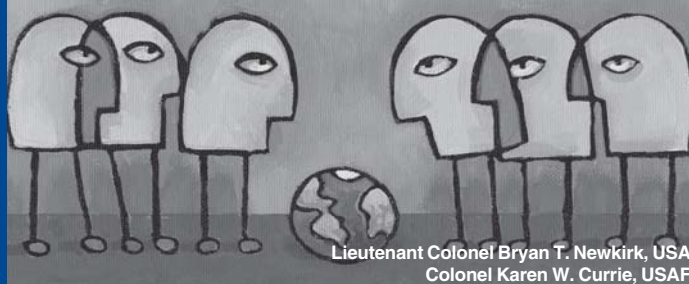

Our newest books and monographs have been produced with the style and quality you've come to expect—a high-impact format that gets and keeps your attention. If you're used to seeing or thinking of products of this type as colorless and dry, you'll be more than surprised. *Old Lessons, New*

Thoughts and 2004 Logistics Dimensions, Volumes 1 and 2 are available now.

New Monographs: What You Need, When You Need It!

Global Combat Support System A Must for the Joint Warfighting Commander

Lieutenant Colonel Bryan T. Newkirk, USA
Colonel Karen W. Currie, USAF

The Editorial Advisory Board selected "Global Combat Support System: A Must for the Joint Warfighting Commander"—written by Lieutenant Colonel Bryan T. Newkirk, USA and Colonel Karen W. Currie, USAF—as the most significant article to appear in Vol XXVII, No 3 of the *Air Force Journal of Logistics*.
